Shocker ... local National and Labour candidates agree!
Tom Belford

Deeply embedded in the DNA of politicians is a love of spending on roads. It's the cross-party unifier. Take The Expressway.

Vote for a minor party
Paul Painter

Here and around the world the public have lost confidence in the centrist parties to actually deliver competent government. We never come across so many people unsure of who to vote for.

Top Five Winter Warmers
Lizzie Russell

I hear people saying the best thing about winter is getting out of here for a week or two. Nappa, Ball and Fiji are lovely. But for those of us sticking close to home, here's a handful of Hawke's Bay Winter Warmers.
